**PRO-LIFE UPDATE** - 2025 was one of the most challenging and busiest years ever for the pro-life movement in the UK, with the biggest battles on abortion and assisted suicide in over 50 years. Thanks to the support of our parish, there has been a strong, coordinated response in Parliament, in the media and among the wider public. The **2025 Right to Life UK Year in Review** sets out some of the key areas in which significant progress has been made this year. Please visit <http://righttolife.org.uk/2025> to read the Year in Review to find out more about what we have achieved together for life this past year.

**MUSEUM OF THE MOON ARTWORK** - Chester Cathedral, from Thursday 12th February to Sunday 15th March 2026. The installation is a fusion of lunar imagery, moonlight and surround sound composition. No need to book daytime entry, but a donation is advised.
